New Bran+Luebbe ProCam MD Diaphragm Metering Pump Series – Best In Class In The Medium Duty Market

DELAVAN, WI (2003) – SPX PROCESS EQUIPMENT – Bran+Luebbe introduces the New ProCam MD Diaphragm Metering Pump Series. Superior Design, Exceptional Value and Fast Delivery.

Bran+Luebbe's ProCam^{MD} diaphragm metering pumps set the standard for ease of operation and reliability in the medium duty chemical metering and wastewater treatment markets. This unique double diaphragm design provides economical pumping and superior service life for all types of low to high viscosity liquids. The ProCam MD offers greater advantages with:

- ❑ Diaphragm monitoring system signals the onset of diaphragm wear.
- ❑ Leak free, hermetically sealed fluid end.
- ❑ Available in 316ss, Alloy 20, PVC and PVDF.

Precision metering for single point injection to 80 GPH and up to 300 psi is now available in a Bran+Luebbe diaphragm pump at an incredible value.

For more information about the Bran+Luebbe product line, contact Bran+Luebbe: 611 Sugar Creek Road, Delavan, WI 53115. Email: info.usa@bran-luebbe.spx.com. Visit Bran+Luebbe's website, www.spxprocessequipment.com or call 1-888-917-PUMP.
